Affiliate Benefits and Services

NC Conservation Network provides
and coordinates the following
services for our affiliates:

News Digest

The News Digest is an electronic media clipping service compiled and distributed each weekday with environmental news stories from media outlets throughout the state.

Weekly Alert

The Weekly Alert includes action alerts, events, resources, and announcements from within the community, as well as updates on regulatory boards and commissions. Posting to the Weekly Alert allows an affiliate organization to share information within the entire affiliate network.

Legislative Update

The Legislative Update is a weekly email while the NC General Assembly is in session which provides comprehensive updates, analysis, and insights into environmental issues being considered.

Tools and Resources

We provide our affiliates with a great collection of tools, resources, and training opportunities.

Skills Training

We provide training opportunities throughout the year on topics including advocacy, organizing, fundraising, and more.

Convening and Coordinating Coalitions

We act as a catalyst for coordination of environmental community efforts, including linking organizations together to form coalitions.

Communications Consulting

We offer expert advice and support to help build your organization's communications strategy and media campaigns.

Designing Together

NC Conservation Network offers access to our in-house graphic designer. We collaborate with affiliates to create custom social media graphics, annual reports, videos, animations, event posters, and more. Check out our portfolio for examples: ncconservationnetwork.org/affiliate-multimedia-examples/

Events Listing

We post upcoming events from affiliate organizations on our Events page.

Jobs Listing

We post open positions from affiliate organizations on our Jobs page.

Take Action Campaigns

We support issue campaigns led by affiliate organizations by engaging North Carolinians in contacting decision-makers, attending hearings, and participating in offline activities.

Renewing your affiliate dues

Please pay online or send your dues check by January 31 to the following address.

Pay online:

<https://ncconservationnetwork.org/dues>

Or send a check to:

NC Conservation Network
Attn: Annual Affiliate Dues
234 Fayetteville Street | 5th Floor
Raleigh, NC 27601

Subscribing to electronic services

Each affiliate organization can designate up to 20 staff members, board members, and/or lead volunteers to receive our electronic services: the News Digest, Weekly Alert, and Legislative Update. To add to or modify these names, please contact Kate Fulbright at kate@ncconservationnetwork.org.

Calculating your dues

Dues are calculated from the following sliding scale based on annual operating expenses. National environmental organizations with only a field staff presence in North Carolina should calculate dues based on their state budget, with a minimum of \$100.

Annual Expenses	Dues
Below \$1,000	\$25
\$1,000 - \$9,999	\$50
\$10,000 - \$49,999	\$100
\$50,000 - \$74,999	\$250
\$75,000 - \$99,999	\$400
\$100,000 - \$149,999	\$650
\$150,000 - \$199,999	\$850
\$200,000 - \$249,999	\$1,000
\$250,000 - \$299,999	\$1,250
\$300,000 - \$499,999	\$1,500
\$500,000 - \$749,999	\$2,000
\$750,000 and above	\$2,500
